such ignorance on the subject, even among those who profess to know all about it, to formally enumerate the ports which have so far been opened to foreign commerce in China. By the treaty of Nanking, the ports of Canton, Amoy, Swatow, Ningpo, and Shanghai, in Fokien; Ningpo, in Chekiang; and Shanghai, in Kiangsu, were opened to trade. The treaty of Tientsin secured to us the privilege of trading in the following other ports:—Swatow, in Kwangtung; Tainan, Taiwan, Tamsui, and Keelung, in Formosa; Chinkiang, in Kiangsu; Hankow, in Kiangsi; and Hankow, in Hupeh, all on the Yangtze; Chefoo, on the coast of Shantung; Tientsin, on the river Peiho; Chinkiang, Newchwang, Shanghai, and Hsienchow, the port for Kiangsu, in Hainan. The latter, however, was not opened until the 1st April, 1876. The Chefoo Convention provides for the opening to trade of four additional ports—Wenchow, on the coast of Chekiang, midway between Ningpo and Foochow; Wuhu, in Anhwei, on the Yangtze; Ichang, in Hupeh, situated at the head of the steam navigation on the Yangtze;

Chairman of Commerce.

Six—I beg to hand you copy of a letter addressed today to the Government of Hongkong by the managers of the banks established in the Colony.

In view of the general interest of the subject to which this communication has reference, I

Dr. Henry Charles Barlow has bequeathed all his Dante books and manuscripts to the London Dante Society, and £1,000 for the annual delivery of twelve lectures on the greatest work of the poet. The Geological Society obtains £500 for the advancement of geological science.

to be guaranteed, or persons whom would
to be guaranteed, one was that the supply
could not fail, and the other would be that the
quality of the gun should be maintained. If
presentations were made to the Japanese Ge-
neral concerning this, we must be prepared
to express our willingness to accept that con-

could scarcely be an improvement on the present bars. Moreover, the cost of coinage saved by dealing in ingots, and consequently there is less deterioration and waste of metal. These and similar arguments are put forward by natives, and

at to death with the extreme of torture." At this means is made plain by the *N. O. Daily News*, which journal describes it on the basis of an eye-witness who saw a rebel chief die to death by the process, five years ago, in the city of New Orleans. "The man was stripped naked
